OUR ROLES

🔊 Co-Editor – The Storm Chaser

You track the winds, shape the message, and guide the flow. As an Editor, you **review, revise, and perfect content** before it goes live—making sure every drop hits where it counts. You balance clarity with power, always chasing truth.

⚡ Author – The Lightning Rod

You're the direct spark—grounded, powerful, and unmistakable. As an Author, you **generate, refine, and publish impactful content** that strikes with precision. Your voice lights up the skies and ignites action.

☁ Contributor – The Rainmaker

You summon the clouds of change. As a Contributor, you **offer fresh drafts, raw ideas, and thoughtful perspectives**, helping the storm build momentum. You don't publish directly, but your contributions help water the roots of the movement.

☂ Volunteer – The Umbrella Holder

You offer shelter, support, and strength. As a Volunteer, you **help behind the scenes, on the ground, or wherever you're needed most**—from event support to outreach. You keep the movement steady, rain or shine.

Subscriber – The Weather Watcher

You keep an eye on the skies and spread the word when the storm rolls in. As a Subscriber, you **stay informed, share updates, and uplift the signal**. Every movement needs its watchful witnesses—and you help forecast hope.

Calling All Partners in the Storm!

Are you part of an organization, grassroots group, or business that believes in defending democracy? Then we want to link arms with **you**. **Partners** are the thunder that echoes beyond our core—they help amplify the mission, share resources, and stand strong with us on the front lines.

Whether you're hosting an event, offering support, or just believe in our shared fight for justice, equity, and freedom—there's room under this umbrella.

 Let's weather the storm together. Become a **Rescue Our Democracy Partner** and help build a movement that can't be silenced.

WE WANT YOU!

No matter your role in the storm, your presence strengthens the front. We value your membership! Together, we are more than voices—we are thunder. More than supporters—we are action. This movement is powered by real people like you, stepping up with passion, purpose, and conviction.

So pick your place in the weather pattern, set up your profile, and let's make this movement impossible to ignore. Let's flood the streets together!

 The sky may be dark—but with every peep that joins, the forecast looks brighter. For after the storm, the sun will shine brightly again for our nation.

Thank you all for your support! Grab your membership today!
