

Rescue Our Democracy

Core Values and Principles

Democracy First

We believe in the fundamental power of the people to shape their government through free expression, fair elections, and civic engagement.

Nonviolence

We commit to nonviolent methods of protest, communication, and advocacy, no matter the challenge or opposition.

Respect for All

We respect all individuals, regardless of race, gender, religion, sexuality, or background. Democracy requires an inclusive society.

Truth and Transparency

We oppose misinformation and uphold truth as a guiding principle.
We value transparency in our actions and intentions.

Civic Responsibility

We believe it is not just a right but a responsibility to stand against injustice and fight for democratic principles.

Community over Ego

We focus on collective action, collaboration, and the greater good — not personal recognition or gain.

Courage in Action

We understand that speaking up can be difficult — and we choose to do it anyway.

Hope and Persistence

We believe change is possible. Even small actions add up to massive change over time.
